AUDIT METHODOLOGY AND APPROACH

Audit Methodology

We have conducted the internal audit of Nagar Panchayat – Belsand, for the year ending on 31st March, 2015 (as per TOR). We familiarized ourselves with documents of Nagar Panchayat, the internal guidelines and circulars applicable during this period under review. We also reviewed the working of the Nagar Panchayat and evaluated the accounting systems and related controls of the Nagar Panchayat in order to plan and perform our audit.

We reviewed transactions from April 01, 2014 to March 31, 2015. Our objective was to check all transactions and to design procedures to detect omissions. We also applied procedures to assess the adequacy of the Nagar Panchayat's financial management systems, including internal controls for entire audit period. We applied necessary tests and controls, as we considers necessary under the circumstances.

During the course of our audit we reviewed the below mentioned documents and registers:

- 1) All Subsidiary Cash Books for the period from 1st April 2014 to 31st March 2015 maintained manually in the Nagar Panchayat.
- 2) Vouchers (Cash, Bank, Journal etc) along with supporting documents;
- 3) Receipt Books
- 4) Cheque Issue Register
- 5) Other necessary records and registers

The major observations during the course of internal audit have been discussed with the Executive Officer & Accountant of the Nagar Panchayat.

Audit Approach

The purpose of defining the audit approach is to ensure that sufficient, appropriate audit evidence is collected to enable the drawing of a conclusion with respect to each of the audit objectives.

An effective approach will normally incorporate a variety of auditing tools and techniques. Different tools and techniques have various strengths and weaknesses.

Our approach to the internal audit started with an overview of activities through a study and documentation of the existing systems and procedures in all the ULBs. Testing of internal controls was carried out by checking a sample of transactions for the period covered by the audit.

Apart from the test of controls and samples, we also carried out various types of analytical reviews to understand as well as highlight unusual or significant trends in the business.

Our observations, resulting from the audit tests performed on a sample of transactions, are set out under "Part-A, Part-B & Part-C" of the audit report and include our recommendations for addressing these observations.

Name of the Chief Municipal Officer for the period under Audit	Shri Braj Kishore Ram
Audit Conducted on	30 th April, 1 st May, 26 th May 2016 & 20 th June, 2016

2. Result and Findings

Strength

❖ Following strengths have been observed in the audit of Nagar Panchayat.

- All the Subsidiary Cash Books have been maintained by the ULB.
- Attendance Register of Staff were maintained properly.
- Salary Register maintained by the ULB.
- All the Books & Register have been verified by Executive Officer on monthly basis.
- Staffs were cooperative during the Audit period.

Weakness

❖ Following weaknesses have been observed in the functioning of office, maintenance of records etc.

- General cash book not prepared by the N.P.
- There is a lack of internal control w.r.t collection of taxes. In the Nagar Panchayat Holding Tax and Tower tax is not being collected. Tower tax amounted to Rs. 5,40,000.00 is outstanding.
- Fixed Assets Register is not maintained by the ULB.
- Demand and collection register have not been prepared in a proper manner hence it seems difficult to ascertain total tax dues. No penalty/surcharge have been imposed for non-payment of demand.
- There is no proper cash handling neither any locker was kept by the ULB.
- Taxes collected by tax collector are not deposited on daily basis. As per Rule 27 of BMAR it should be deposited on daily basis.

➤ Advance Register is not prepared hence it is difficult to monitor for advances given and adjustment thereof.

➤ Grant Register is not maintained, hence it is difficult to find unutilized grant at any point of time.

➤ Nagar Panchayat has failed to comply with certain rules and directives of UD & HD.

1. Directives relating to forming a "Municipal Accounts Committee" have not been complied till date.

2. Directives relating to prepare a practical budget have not been complied with.

➤ Unavailability of information and files relating to TDS, VAT, Royalty and Labour Cess.

➤ Bank Reconciliation Statement for any of the account is not prepared hence it is difficult to monitor possible fraud.

➤ There is lack of internal control on deduction and deposit of various taxes. TDS not deducted due to work executed by the NP self. On deduction of other tax liability like VAT, Royalty, Labour Cess etc are not created.

➤ The ULB has not maintain the proper Log Book Register.

➤ No ESI, Pension Fund have been deducted from the salary of the employees.

➤ Taxes such as Sales Tax(VAT), Royalty, and Labour Cess etc are collected from time to time but payments are made on yearly basis which is not proper. Taxes should be remitted to the Govt. account on timely basis otherwise delayed interest charges may be imposed.

3. Opinion

❖ Overall opinion of the Audit team about the functioning of the Municipality is as under:-

The functioning of the Municipality is very weak due to following reasons:

➤ Collection from own sources is very poor.

➤ The procurement of fixed assets is not proper and non-maintenance of Fixed Asset Register would lead to failure of determining the replacement cost.

➤ BRS is not prepared on a monthly basis, so it is difficult to keep record of variances between Cash Book and Bank Passbook balances. Non preparation of BRS would lead to improper use of available funds.

- Most of the prescribed Books of accounts are not maintained.
- Internal Control w.r.t. collection of taxes, monitoring of grant, monitoring of advances, monitoring of schemes etc. is very poor.
- Grant received for various purposes are not utilized on timely basis.
- A huge portion of fund received by the ULB from Gob is left unspent during the financial year 2014-15. So the Closing Bank Balance is huge.

4. Audit Recommendations

❖ The recommendations of Audit team on the observed weakness is as under:-

- All the prescribed books of accounts and Registers should be prepared on real time basis.
- PF & ESI should be deducted from salary, if applicable.
- Grant Register should be prepared.
- Demand & Collection Register of all the wards should be prepared and calculation should be done as per new assessment.
- Collection from own sources should be improved.
- Collection by tax collector should be deposited on daily basis.
- Bank reconciliation Statement should be prepared on monthly basis.
- All the statutory dues should be deposited on timely basis and returns prescribed under respective laws should also be filed on timely basis.
- New staff are to be appointed by the management for smooth running of the ULB and they should be equipped with regular training to run the ULB smoothly.
