3. Opinion

Core Municipal functions are performed by the ULB. So far the ULB is concerned they are not working properly, even internal control is poor. Revenue collection of the ULB is very poor it may be increased to much higher level. All cash collection from source of revenue is not deposited in the bank on same day. Due to lack of man power there is delay in performing day to day work and holding tax is collected by fourth grade staff. There should be proper segregation of duties to perform day to day work in efficient manner. Bank reconciliation should be done monthly basis. We find that rules and regulation are there but ULB is not following them properly. Most of the Books of Accounts as prescribed by BMAR are not maintained by the ULB. There are serious lapses in deduction and deposit of statutory dues, such as VAT, Royalty, TDS, Labour Cess Etc. Separate Bank Account should be maintained for each Scheme.

4. Audit Recommendations

- i) Fixed Assets Register should be maintained.
- ii) Advance Register should be maintained.
