## INTERNAL AUDITOR'S REPORT

Joint Secretary and  
Additional Project Director  
Urban Development & Housing  
Department, Patna

We have conducted internal audit of the Books of Accounts and related document and vouchers of **Nagar Parishad – Khagaria (ULB)** for the period of **1-4-2014 to 31-03-2015** in terms of agreement with UD&HD dated 21.03.2016. These Books of Accounts and related document and vouchers are the responsibility of Management. Our responsibility is to express an opinion on the Books of Accounts and related document and vouchers based on our audit.

We have conducted our audit in accordance with the **Standard on Internal Audit (SIA) formulated by ICAI**. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the Books of Accounts and related document and vouchers are free from material misstatement. An audit includes examining, evidence supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our observations. The salient points of the scope covered by the internal audit are as follows:

1. The effectiveness of accounting system.
2. Compliance with the legal and statutory requirements.
3. Risk-based review and evaluation of the Internal Control.
4. Compliance of Bihar Municipal Act.
5. Compliance of Bihar Municipal Accounting Manual.

Moreover, our scope of examination also covered the requirements of the specific points as spelled out by the management of the Urban Development & Housing Department. The result and recommendations of our internal audit are set out in Scope, Observations and Annexure of our report.

The statutory auditor of the Urban Development & Housing Department expresses opinion as to the true and fair view of the financial statements. We have not expressed any opinion on the financial statements and accordingly, this report should not be constructed as our opinion on the financial statements:

Whether all transactions (incomes, expenditures, assets and liabilities) are correctly classified and stated in sufficient detail;	No all transactions have been classified as incomes and expenditure only assets and liabilities have not been recognized.
Whether all grants sanctioned or received by the municipality during the year, have been accounted properly, and where any deduction is made out of such grants towards any dues of the ULB? Whether such deductions have been properly accounted;	Grant received during the year has been properly accounted for. Information about grant sanctioned and deductions made out of such grant is not available with the ULB.
Whether any Special Funds have been created as per the provision of any statute and whether the Special Funds have been utilized for the purposes for which they have been created;	No Special fund has been created by the ULB.
In respect of contracts that are in existence during the year, whether there are any deviations from the sanctioned plans and the estimates without the sanction of the competent authority;	On our test check we did not notice any major deviation.

Particulars	Comments
Whether the ULB is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets; whether these fixed assets have been physically verified at reasonable intervals; whether any material discrepancies were noticed on such verification and if so, whether the same has been properly dealt with in the books of account;	No, record of fixed assets has not been maintained by the ULB. Physical verification of fixed assets has not been done during the financial year under audit.
Whether in case of leasehold property given by the ULB, lease rentals are collected regularly by the ULB and that the lease agreements are renewed after their expiry;	As explained to us no property of the ULB has been given on lease.
Whether physical verification has been conducted by the ULB at reasonable intervals in respect of stores;	No, physical verification of stores has been conducted by the ULB at reasonable intervals.
Whether the procedures of physical verification of stores followed by the ULB are reasonable and adequate? If not, the inadequacies in such procedures should be reported;	No
Whether any material discrepancies have been noticed on physical verification of stores as compared to book records, and if so, whether the same has been properly dealt with in the books of account;	No physical verification has been carried out during the audit period.
Whether proper procedures are in place to identify any unserviceable or damaged stores and whether provision for the loss in this respect, if any, has been made in the accounts;	No there is no procedures are in place to identify any unserviceable or damaged stores
Whether the valuation of stores is in accordance with the accounting principles laid down in the rules? Whether the basis of valuation of stores is same as in the preceding year? If there is any deviation in the basis of valuation, the effect of such deviation, if material, should be reported;	No valuation of stores has been done.
Whether the parties to whom loans or advances have been given by the ULB are repaying the principal amounts as stipulated and are also regular in payment of the interest and if not, whether reasonable steps have been taken by the municipality for recovery of the principal and interest?	There is no case loans and advances other than advance to staff for expenditure.
Whether advances given to municipal employees and interest thereon are being regularly recovered;	Advance Register has not been maintained so we are unable to verify whether it is being recovered regularly or not.
Whether there exists an adequate internal control procedure for the purchase of stores, including components, plant and machinery, equipment and other assets?	No there does not exist any internal control procedure for the purchase of stores, including components, plant and machinery, equipment and other assets

Particulars	Comments
Whether applicable procurement rules and procedures are being followed and if so, significant deviations should be identified and reported.	On our test check we did not notice any major deviation.
Whether the municipality is regular in depositing statutory dues including tax deducted at source, service tax, VAT, works contract tax, cess payable to the government etc., and if not, the nature and cause of such delay and the amount not deposited;	No, the municipality is regular in depositing statutory dues but beyond the due date.
Whether the municipality is regular in remittance of pension and leave encashment contributions or any other amounts which the municipality is liable to remit towards the retirement dues of its employees, including employees on deputation;	The municipality is not giving any contribution to P.F or pension Fund employee in prescribed rate.
Whether any personal expenses have been charged to the municipality' s accounts; if so, the details thereof;	We did not notice any such expenses.
Whether all the expenditure incurred by the Municipality are authorized by appropriate provision in the sanctioned budget, whether made originally or subsequently and are in all cases such as are authorized by law;	Yes on our test check we observed that all the expenditure incurred by the Municipality are authorized by appropriate provision in the sanctioned budget
Whether all revenue has been properly assessed, accounted for, collected and recovery action taken on timely basis;	No all revenues have not been properly assessed, accounted for and collected. Recovery action is also not taken on timely basis
Whether all sums due to and received by the Municipality have been brought to account within the prescribed time limits and are in all cases such as are authorized by law;	There is significant tie gap between collection and accounting of taxes by tax collection agents.
Whether in respect of all bills for charges on account of all works and other expenditure, proper certificates have been furnished in support of them and that no deviation has been made for the sanctioned plans and the estimates without the sanction of the competent authority;	Yes on our test check we observed that all bills for charges on account of all works and other expenditure, proper certificates have been furnished in support of them and that no deviation has been made for the sanctioned plans and the estimates without the sanction of the competent authority
Whether the amounts received as specific grants have been utilized for the purposes as stated in the grant sanction order;	Yes on our test check we observed that amounts received as specific grants have been utilized for the purposes as stated in the grant sanction order
Whether bio-metric devices and payroll software are used at the ULB. If not whether there is satisfactory system of payroll accounting; otherwise mention the key deficiencies of the system.	No, bio-metric devices and payroll software are not used at the ULB. Pay roll system of the municipality is deficient as it does not contain leave records, details of deductions made etc.
Whether the grievance redressal mechanism for the ULB is sufficient.	No, we did not observe any grievance redressal cell functioning at the ULB.
