5. Audit Observations:

è

PART -"A"

All audit objections/irregularities which have monetary implication, particularly in the following area:

a)	Leakage of own source revenue either due to wrong assessment or non- levy of property tax, mobile tower tax, rent on municipal properties, advertisement tax fees etc.	Under collection of Holding/Property Tax is observed as tax is collected at old rate, but we have not able to quantify the amount of arrears because household wise demand registers has not been prepare by the ULB. However total collection of holding/property tax in current year 2015-16 is Rs. 43, 46, 839.00/- only as against the previous year collection of Rs.55,34,409/- There has been under collection of Mobile tower tax as ULB have not collected interest for delay payment and payment for additional antenna attached with towers. Total 29 nos. of towers are operating in the area of ULB out of which 10 towers have not been registered with the ULB. The amount of arrears of the tower tax san interest and charges for additional antennas up to 31 st march 2016 is Rs. 8, 90,000/ There has been under collection of rent from shops and Vacant land as these have been collected at the old rates. Total Collection of rent from shop and vacant land is Rs. 13,38,852/- during the current year which is below the last year collection. Hoarding or advertisement tax collected during the current year is Rs.4,448.00 only while the last year collection was Rs.1,48,160/- and management has not give any explanation regarding low collection of the advertisement tax during the current year. The collection for Parking during the current year is nil as against the last year collection of Rs.84,204/
b)	Excess payment against bill, lack of prudence in payment against vouchers inefficiency in controls resulting loss to ULBs.	As Per Annexure "A"
c)	Report on finding of field survey of Property Tax of minimum 20 high value properties	Report on finding of field survey of property tax of high value properties are as under:

OBSERVATION ON TENDERING PROCEDURE

Particulars	Auditors Observation	E.O. Reply
During the financial year 2015- 16 payment has been made to the Rukmini Homes Pvt. Limited amounting to Rs. 57,89,900.00 after deducting the required deduction (I.T., S.T., Royalty Etc. Gross amount is Rs 68,88,635.00) in connection with the contract given for construction of Nagar Parishad Market on the vacant land near administrative building of the NP. Contract was given in March 2015. Total amount of contract is Rs. 6,53,78,749.00	Our observation is as follows:- 1. Proof of public notice in newspaper in respect of advertisement of tender not made available to us. 2. Total 3 parties had applied for the tender but documents submitted by the other parties (except Rukmini Homes Pvt. Ltd.) were not proper. 3. Evaluation sheet has not been signed by all the participants. 4. Terms and condition of the agreement is not sufficient considering the volume and amount involved in the project. 5. Deduction made from the payment like royalty, I.T., Labour Cess etc. have not been made to the respective department. 6. The question is how the same party to whom the contract was allotted earlier to develop a market complex on such land has been given on lease? 7. Also the prudence behind the decision of giving the said property on lease for 99 years instead of developing it as a market complex has not been clarified by the management.	Executive Officer replied that, there could be some minor irregularities in the procurement process but these are not relevant now because the contract has been cancelled in financial year 2016-17 and whatever payment was made to the Rukmini Homes Pvt. Ltd. have been taken back. Also the deductions made at the time of payment are not required to be deposited. And now the whole land property of the ULB has been given to the Rukmini Homes Pvt. Ltd. on lease. In this respect non refundable security money have also been received from the Rukmini Homes Pvt. Ltd. amounting to Rs. 52,23,825.00/-
