3. Opinion

Core Municipal functions are performed by the ULB. However, the ULB is not working properly. Even internal control applied by the ULB is poor. ULB has not maintained cash book and other books of accounts properly and balancing is not done correctly. There should be proper segregation of duties to perform day-to-day work in efficient manner. Bank reconciliation statement should be done on monthly basis. All cash collection from source of revenue is not deposited in the bank on same day or next working day. We find that rules and regulation are there but ULB is not following them properly. Most of the Books of Accounts as prescribed by BMA are not maintained by the ULB. There are serious lapses in deduction and deposit of statutory dues, such as VAT, Royalty, TDS, Labour Cess. Accounting Entries in Tally, an accounting software, must be maintained.

Revenue collection of the ULB is very poor. If revenue collection is made effectively and efficiently, it may be increased to much higher level by considering these points:-

- a. Adopt revised rate of property tax of 2013 and properly follow the guideline to recover dues taxes against those who do not pay the taxes on time.
- b. Fee and charges for the different categories cover under Sairat should be collected on due date.

4. Audit Recommendations

- i) Fixed Assets Register should be maintained.**
- ii) Advance Register should be maintained.**
- iii) Stock Register should be maintained.**
- iv) Daily Collection Register separately for each head should be maintained.**
- v) TDS deduction & deposit thereof and e filling of TDS return should be made timely and in proper manner.**
- vi) Tax amount should be collected from Mobile tower.**
- vii) Daily collection amount should be deposited to cash section and bank account as prescribed in BMA 2007.**
- viii) Municipal Accounts Committee should be constituted.**
- ix) Budget should be prepared by the ULB timely and get them approved by the state government within the time frame.**
- x) Book of accounts should be verified by EO on regular interval.**
- xi) Separate bank account should be maintained for every scheme.**
- xii) Procurement register should be maintained.**
- xiii) Utilisation certificate should be prepared.**
- xiv) Cash book should be properly maintained.**
- xv) Amount of royalty collected from contractors should be deposited to authority.**
